THE FAMILY BOOKPACK

Introducing kids to a travel destination through books before you leave will get them excited for the trip and give them a better understanding of what to expect. Travel-related books are also great to read when you return and allow kids to process and reflect on the vacation.

Here is a guide to travel books ranging from picture books to chapter books for children – teens and grown-ups – of all ages. Hopefully, it will help you and your family turn the page to a new adventure!

Wheels up!

“Children who learn to travel will
travel to learn.”
